Three Hundred Bales of Cotton and Two Hundred and Fifty Mules go

Another one of those fatal steamboat levee, which quickly spread to the adlisasters which have recently become so Another one of those fatal steamboat turned to the city, and will preach to day, and mill preach to day, and will preach to day at 11 orders, heart of the cut-off on the Arkansas river.

Sunday Literature — During this particularly gloomy weather, it is really refreshing to find something good to read. Our young friend Albert Beer, at No. 257 Main street, has a choice collection on bour day street, has a choice collection on the city, and will preach to day at 11 orders of the cut-off on the Arkansas river. The steamer Mercury was on her particularly gloomy weather, it is really three passengers, the crew numbering about forty, making over seventy souls.

Another one of those fatal steamboat disasters which have recently become so frequent on our rivers, occurred at a late devouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring element was Mr. Geo. Humes, all classes of society present scarcely fevouring elem three passengers, the crew numbering about forty, making over seventy souls in all. The night was very dark and mails have, like angels' visits, been few and far between during the past week, and delighted the rate of the streets, did not, of course, in the street, did not, of course, in the street of the choicest quality, and seemed to be reliable by the guesta of the Back with the utmost gueto. Everybody wished success to the institution, and hoped that its officers would reap a rich hard and liquors, and the crease the quantity. The firemen did to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality, and seemed to be reliable by the guesta of the choicest quality. The firemen did to be reliable by the guesta of the choicest quali stopped to take wood near the foot of the eut-off, [and had proceeded about three difficult of adjustment. This state After the great throng had subsided, and miles when the state of the have come through. "Cliff" says that the mails are about played out, and he roles on the Southern express.

CRIMINAL CUERT.—This court was occupied yesterday in the appointing of attorneys for prisoners having none employed.

THIPTON ____ This spientid packet will leave OFFICE OF THE DAILY APPEAL, MEMPHIS, March 16, 1887. There was not much worthy of note in

Bank of Memphis, par ; Bank of Middle Tennessee, 90; City Bank of Nashville, 50; Merchants' Bank, 75; Ocose, 20; Bank of Shelbyville, 80; Traders' Rank, par; Southern, 25.

The Citizens' Union Bank of Memphis ed its doors yesterday, and celebrated the event by entertaining its numer-ous friends in a ptincely manner, a full account of which will be found in our local columns.

SPRICE MOVEMENT AT NEW YORK OF 1867, in January
In February
In February
In January
In January
In February \$1,011,451 2,100,461 - \$4,615,818

It will be seen that the receipts nearly equal the exports, so that the loss for two months is less than two hundred housand dollars.

The recent act changing the time of assessing the annual taxes from May to March does not affect the time for which the special taxes are payable. The year for which special taxes are due com-mences and ends May first as heretofors, although the returns and assessments are

The finance bill, as finally passed by THE OPERA.—Last evening the opera
